There will be some access to parts of the network for freight during these closures.

22 and 23 Feb - Minor impact on freight. Port shunt goes via Newmarket instead of waterfront. Single line between Papakura and Westfield.

Access from Auckland to Hamilton will be closed for all blocks of lines throughout 2025.

Access to the Auckland shunt programme and Northland for the Easter block of line 12 – 27 April and subsequent blocks throughout 2025 are yet to be confirmed.

The Mission Bush branch line between Paerata and Mission Bush will be open over the Easter block of line.

There are contingency time blocks in early July and late September 2025 and we will advise closer to the time if these will be utilised.

Access to the Auckland network for freight over the Dec 2025 - January 2026 block of line is still to be confirmed. We'll update you as soon as we can.
